Oh, the Places You'll Go  
by Dr. Seuss

Congratulations!  
Today is your day  
You're off to Great Places!  
You're off and away!

You have brains in your head  
You have feet in your shoes  
You can steer yourself  
Any direction you choose.

You're on your own. And you know what you know  
And YOUR are the [gal] who'll decide where to go.  
You'll look up and down streets. Look 'em over with care.  
About some you will say, "I don't choose to go there."  
With your head full of brains and your shoes full of feet,  
You're too smart to go down any not-so-good street.

And when things start to happen,  
Don't worry. Don't stew.  
Just go right along.  
You'll start happening too.

OH!  
THE PLACES YOU'LL GO!

And when you're alone, there's a very good chance  
You'll meet things that scare you right out of your pants.  
There are some, down the road between hitcher and you,  
That can scare you so much you won't want to go on.

You'll get mixed up, of course,  
As you already know.  
You'll get mixed up  
with many strange birds as you go.  
So be sure when you step  
Step with care and great tact  
and remember that Life's  
a Gret Balancing Act.  
Just never forget to be dexterous and deft  
And never mix up your right foot with your left.

And will you succeed?  
Yes! You will, indeed!  
(98 and 3/4 percent guaranteed)

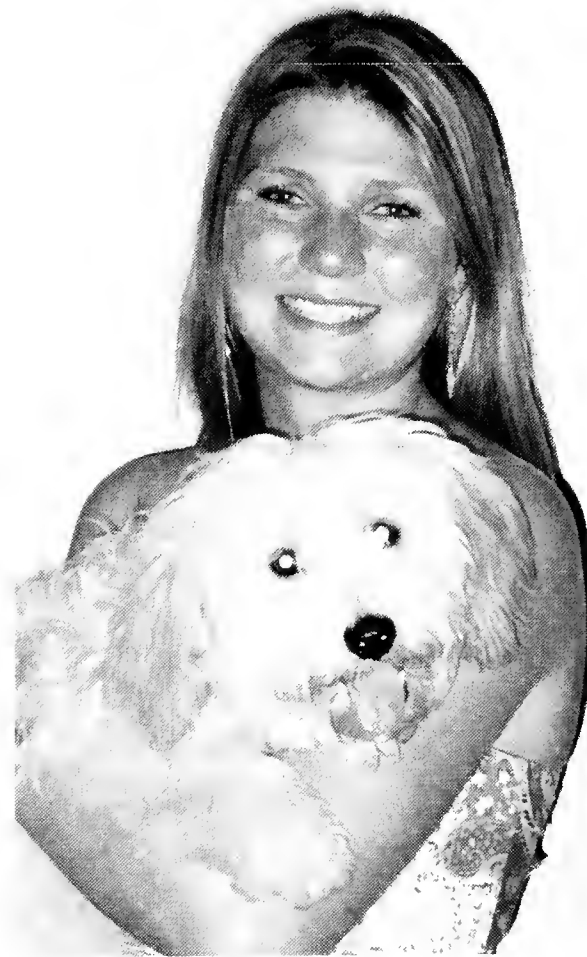

KID. YOU'LL MOVE MOUNTAINS!

So...  
Be your name Buxbaum or Bixby or Bray  
or Mordecai Alie Van Allen O'Shea,  
you're off to Great Places!  
Today is your day!  
Your mountain is waiting.  
So...get on your way!

Christie, we are so proud of you!  
 Love,  
 Mom, Andy and Marc

*Education is not the filling of a pail but the lighting of a fire. ★ A problem is a chance for you to do your best. ★ To reach the port of heaven we must sail sometimes with the wind and sometimes against it...but we must sail, and not drift, nor be at anchor. ★ It takes thirteen muscles to frown and only two to smile. ★ Never do anything halfway. ★ Things turn out the best for people who make the best of the way things turn out. ★ Success is action - a journey, not a destination. ★ Don't take yourself too seriously. ★ Choose being kind over being right. ★ Don't sweat the small stuff. ★ Look for the good in everyone.*

Laurence Alvarez has been a member of the Sewanee community since he came to the college some 50 years ago; for 41 of those years he has been a member of the faculty. Serving as associate provost for three vice chancellors, he helped carry out the Regents' fiduciary responsibilities and ensured the University's financial health.

Ed Carlos served as a member of Sewanee's faculty for 36 years, teaching classes from photography, painting and sculpture to the history of Medieval and contemporary art. Over the course of his career, he has exhibited his work at hundreds of venues.

David Lumpkins joined Sewanee's faculty in 1968 as a part-time instructor. In 1971, he became a full time member of the faculty, teaching courses in Russian literature of the 19th and 20th centuries.

Brown Patterson, a 1952 graduate of Sewanee, earned graduate degrees at Harvard and Oxford as well as the Episcopal Divinity School. He returned to Sewanee in 1980 after teaching at Davidson College; he served as dean of the college until 1991 and as a professor of history.
